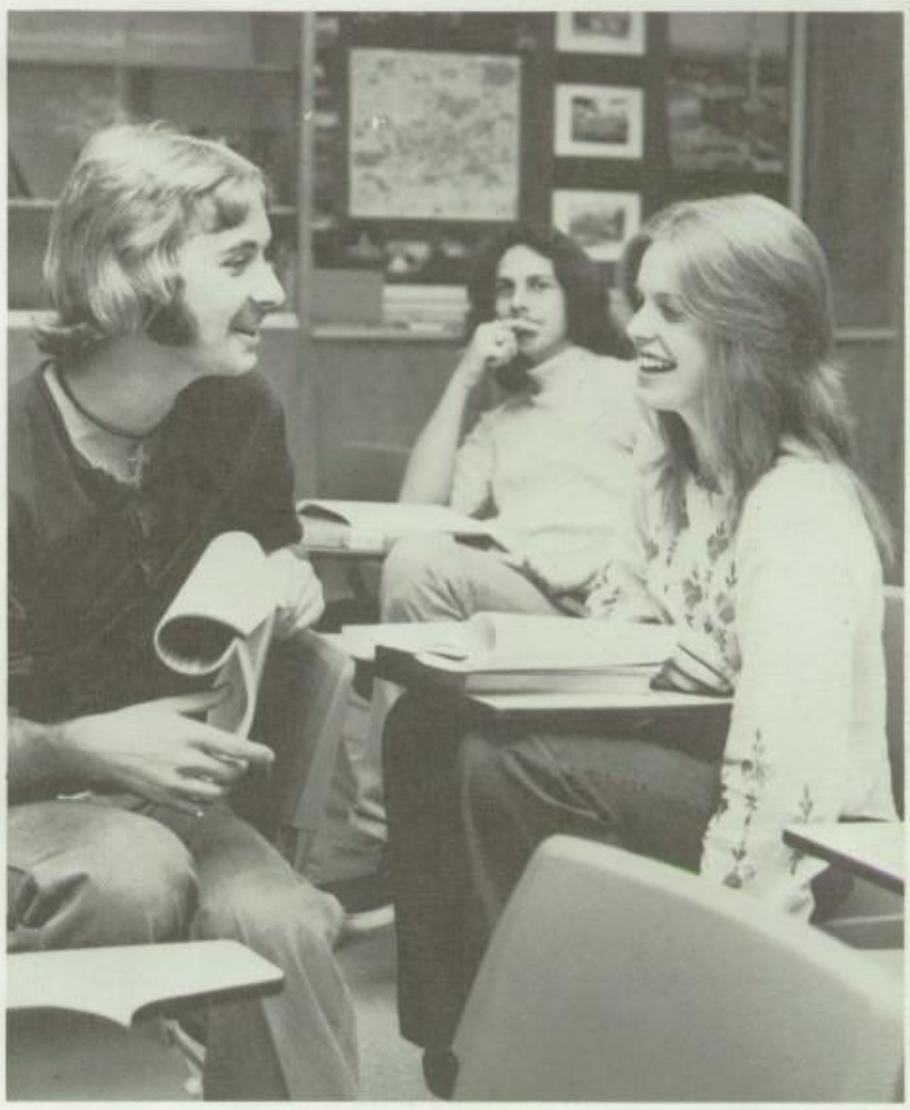
High School

Volume 33

EDITOR'S NOTE

This year marks Muhlenberg's Fiftieth Anniversary. In this our Golden year, we would like to dedicate our yearbook to the fifty years of fine MHS tradition. Over the years our school has grown immeasurably, from the small structure on Bellevue Avenue to the ultra-modern new high school. Here then, are all the varied facilities and improvements we might possibly need. But it is not this physical growth that makes our school so special. It is the shared time of young students as they pass through Muhlenberg's halls and Muhlenberg's history that make the memories so pleasant.

Julie Muthard



We Came As Sophomores,
Young And Immature.
We Studied And Learned,
Had Fun With Our Classmates,
And Spent Quiet Moments
Alone.

The faculty and curriculum of Muhlenberg have grown and changed during the fifty years of Muhlenberg High School history. Beginning with a teaching staff of twelve in 1925, the faculty has now grown to a full time staff of sixty-three.

Viewing the present curriculum taught in this school, it is hard to believe that at one time learning, reading, writing, and arithmetic were fully adequate for a high school diploma. Though these three areas of learning are still used as the basis for curriculum, many new courses have been introduced to students, thus providing them with a broader education and better preparing them for modern life.

Advanced forms of physics, chemistry and biology are now being studied. A course in experimental chemistry has been formulated to satisfy the curiosity of students with scientific interests. Computer mathematics is being studied by Muhlenberg High School students. This was never even dreamed of by the students and faculty of 1925.

Foreign languages are studied now in more depth thus adding to the knowledge of the language, the understanding of its origin and the people that speak it. Today students can actually travel to foreign countries on the spring vacation trips to Europe.

The field of creativity has also expanded bearing courses in jewelry making, metal and wood working, graphics, and music. Music in itself has grown with the addition of special choral and instrumental groups such as "The Spoilers" and the "Jazz Ensemble." A spring musical was originated in 1974 which, with its success, will probably become another member of the long list of cherished Muhlenberg traditions.

Juniors And Seniors Working Together

CLASS PLAY

"Robin Hood Caper"

Laughter was almost continuous as student thespians added a few decades to their ages to perform in the Junior-Senior Class Play, "The Robin Hood Caper." The characters they portrayed were all members of an old folks' benevolent society. The fun continued even after it was discovered that the social security set hadn't come by their money honestly.

All turned out well in the end; and there was even a wedding to add to the merriment. Mr. Moyer, the faculty director, the cast, and the crews are all to be applauded for a fine performance.

"SOUTH PACIFIC"

Continuing a tradition started at Muhlenberg last year, the Music Department was proud to present "South Pacific," the second Annual All School Musical. Under the directional assistance of Mr. White, Mr. Hoffman and Mr. Sandel, the student cast performed with an excellence that is sure to go down through the years as one of Muhlenberg's best.

29th ANNUAL MUHL REVUE

One of the highlights of the Spring season is the Annual Muhl Review. This presentation gives students a chance to perform their various talents. Among the main features are the solos, comedy, and dance lines. The time and energy that is put into this show can best be seen by the standing room only audience on the nights of the two performances.

MARCHING BAND

The long hours of practice again paid off for the members of the Muhlenberg Marching Unit. Once again they went on the road to perform at our MHS football games and also as guests, for Albright College's Homecoming game.

Parades consumed quite a few Saturday's for there were numerous invitations to our excellent marching band. The band was honored to be able to march in the pre-bicentennial parade in Philadelphia.

COLOR GUARD

Under the direction of Miss Breidegam, this year's Color Guard was once again one of the area's finest units. The girls in the group found it necessary to endure many cold mornings of practices as well as many long and tiring parades. The Color Guard participated in a new and exciting activity this year, the Bi-Centennial Parade held in Philadelphia.

The girls have also worked very diligently to raise funds for the new Band, Majorette, and Color Guard uniforms.

MAJORETTES

During the late summer and early fall, constant counting could be heard as the majorettes practiced routines for another season. This year the majorette squad was directed by a new advisor, Mrs. Gassert. She, along with the field marshall, D. Brightbill, instructed the girls in many precision drills and entertaining half-time shows.

The majorettes also helped raise money for the new uniforms by holding cake sales and various other fund raising functions during the year.

Both the Mixed Chorus and the Concert Chorus did an outstanding job of preparation for their evening performances. A new group just created by Mr. Sandel this year also sang. This group, known as the Jazz Chorus, added a special highlight to various events in which the Choruses participated.

The Concert Chorus also participated in a weekend exchange concert with another high school chorus in New Jersey.

PHOTO CLUB

With the acquisition of several more chemicals, the Photography Club expanded its versatility into colored slides. The photo-club has also worked hand-in-hand with the newspaper in assisting photo-work for the paper. MHS facilities used by qualified members of the club, have given Muhlenberg one of the finest clubs in many years.

DRAMA CLUB

A change in format this year brought an exciting innovation to the Drama Club schedule of events. Club members decided to put the emphasis on viewing rather than participating in plays. The group chose nine different community productions to attend during the school year. Student reaction was that this was certainly a most enjoyable and educational venture

STAGE CREW

Stage Crew is one of the most active, hard working and ambitious organizations at Muhlenberg. These young men and women under the very capable direction of Mr. Scheirer, give most of their spare time in order to make the various shows and school assemblies a success. They built sets for the musical, operated lights for Muhl Revue, opened curtains, moved scenery, turned on mikes, turned off sound effects. In essence, they did everything imaginable to help Muhlenberg's busy auditorium running smoothly and effectively. At the same time, they learned a great deal about how a theatre works and how to work backstage in a theatre.

DEBATE TEAM

This year, the MHS Debate Team, besides distinguishing itself in Berks League debates, attended two state tournaments. Representing the Berks County Intermediate Unit at the State Bi-Centennial Tournament at Hershey, the Debate Team posted a 3-1 record and nearly made the finals. At Pennsbury High School's Tournament, the Debate Team scored a combined 4-6 record and gained much valuable experience for next year.

POLITICAL SCIENCE CLUB

The Political Science Club began this year of school by being active in the General Election in November and by reviewing candidates for the legislature. They also sponsored a Candidate's Night which was followed by a debate.

In November, the Club traveled to Washington to visit the Capital and learn more about the ways in which the Federal government functions. The members also devoted their time this spring towards the local primaries and also planned a youth and government day for the school.

U.N. CLUB

It has been a big year for the Model United Nations Club at Muhlenberg. Members participated in the UNICEF drive early in the fall. Since then, they have participated in the Invitational Model UN held at Muhlenberg and sponsored by their club. At this conference, they tied first place with Mount Penn. Another achievement was their participation in the North American Invitational Model U.N., where they achieved honorable mention for their efforts.

Of The Student Be Heard

STUDENT COUNCIL

Several changes were made in this year's Student Council. It was the first year that the representatives were elected by the entire student body instead of one representative from each social studies class. A survey was also conducted by Council members to find out how the student body felt about Council's effectiveness. As a follow up activity to this survey, Council officers made plans to examine the need for a Smoker's Lounge and the possibility of Open Lunches.

The Student Council also kept charge of the Student Store and several of the vending machines in commons as a part of its fund-raising efforts. As has been the tradition at Muhlenberg, Student Council sold the Homecoming Pom-poms, and purchased flowers for the members of the Homecoming Court.

Once again, a student advisory board was formed to represent the students and to talk over many school issues with the administration.

MUHLTOHI

Although yearbook staff members remain in the background of school affairs, they are always busy. Once in awhile, the staff will cause a major school disturbance by scheduling an entire day of activities pictures, but for the most part, little is heard from these people. They write copy, identify pictures, and type running heads without saying much to other students, but the work gets done. And when it is finished, each student has for himself a book full of memories, an historical account of all that has happened during his year in high school.

Encouraging The Scientific Approach

SCIENCE CLUB

The Muhlenberg Science Club is an organization dedicated to the betterment of its members in the field of the natural sciences, especially biology. Its members participated in activities including frequent weekend field trips, social affairs like roller skating parties, special research projects with reptiles and arachnids, and the presentation of Reptile programs to various school systems, civic groups, and other organizations. MSC always takes one full day field trip per school year. This year it was to the Bronx Zoo of the New York Zoological Society.

Finding Out What Teaching Is All About

FTA

One of the best programs recently introduced to the senior high is the FTA tutoring program. Members of the club who are interested in a one-to-one relationship with a younger student can benefit immensely from this program.

Students who volunteer are sent to one of the five elementary schools or the middle school to tutor a child with a learning problem.

The program has been in effect since 1973. Many dedicated students interested in teaching careers have participated, and have learned a great deal about their chosen profession.

Raising Money

HI-Y

Fund-raising programs to aid needy organizations, and assistance to the Stage Crew were the main activities of this club in 1974-75. Money raised was used for Homecoming events, the Senior Prom, and several other major events during the year. Hi-Y also gave assistance with the planning and execution of the "Muhl Revue."

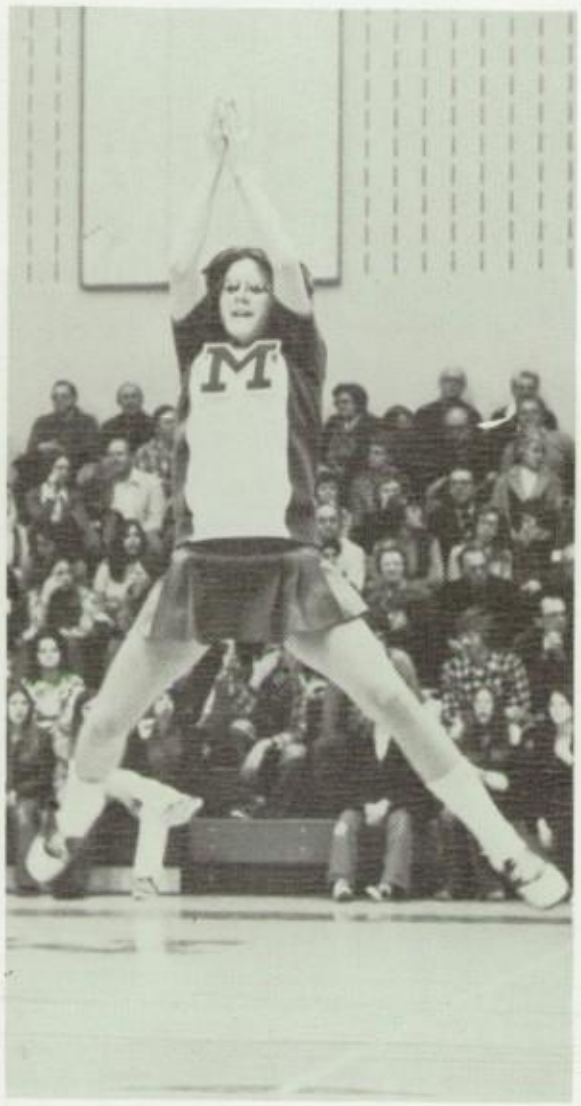
Boosting School Spirit



PEP CLUB

Pep Club members increased the amount of school spirit shown at pep rallies by sitting together and cheering louder than anyone else. These students also made a special effort to wear blue and gold on days of games, and to wear badges and buttons to promote school spirit. They supported the athletic teams and gave special assistance to the cheerleaders all through the sports seasons.

HOMECOMING

The excitement of the homecoming weekend began on Friday with the assembly at which the queen and the maid-of-honor were announced. The ten other members of the homecoming court were also introduced at this time. Then after school, the parade wound around through Temple and onto the Athletic Field. There in honor of the football team, the "M" was burned.

The highlight of the Homecoming Weekend was the traditional football game against Central Catholic. Before the game, the Homecoming Court and their escorts were introduced to the Muhlenberg fans.

Another first this year, was the Cheerleader's participation in the cheering competition at Wilson.

Of course, the biggest effort of all was the posting of signs supporting our teams throughout the school before every game during every season throughout the school year. The girls' cheering always helped at football, and basketball games as well as at wrestling matches.

VTR CREW

VTR Crew is an active group of students interested in television and its potential uses in school. Workshops are held throughout the year to introduce students and faculty to equipment and procedure of video tape in the classroom. Students also tape sports events so that team members can review action and see their mistakes. Faculty members can also utilize the facilities to examine their teaching techniques.

Each Monday evening a Muhlenberg video-tape production was broadcast over Berks TV Cable Channel 5.

LIBRARY AIDES

The library aides were constantly busy trying to make the library a better place to study and do research. These students put books away, stamped due dates, checked for magazines, and helped faculty and students find information in the library.

Some of the aides were also members of the library club. Among the very special activities sponsored by this group was a trip to New York to see a Broadway play.

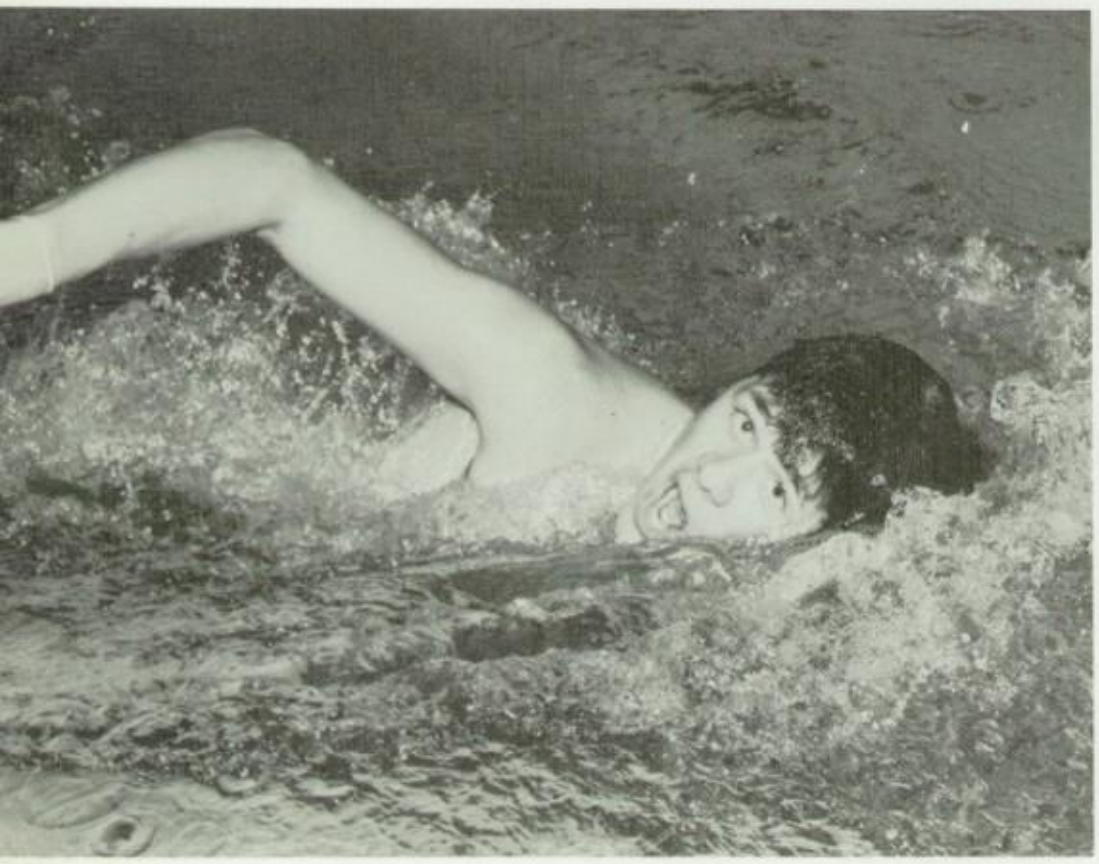
AQUATIC AIDES

The Aquatic Aides, under the direction of Mr. Snyder, help to teach High School swimming courses and are very active in the community swims.

A specified test must be taken by each member before they are officially entered into the club.

This year, the aides put on their first annual water show.



YOUTH CLUB

The Ski Club enjoyed skiing at Heidelberg Country Club on Wednesday nights.

A trip was made to Killington, Vermont, where skiing enthusiasts could try out their techniques.

This spring, bicycling and also a canoe trip, were club highlights.

The music department had a change in their program this year. Instead of the Marching Band and Chorus having a combined Spring Concert; there was a separate program for each. The Band Concert included the entire marching unit, the color guard, and majorettes.

The Band Concert proved to be a very special occasion since it was the first time ever, that the band members wore their new uniforms.

ROMAN BANQUET

This spring the Latin classes held their second Roman Banquet in the Cole Middle School Cafetorium. The entire cafetorium was turned into a Roman banquet hall with Jupiter and Juno presiding over the affair. Togas, noble dress, and slave costumes were seen. Slaves served the nobility and the heavenly guests. There was a procession of gods and goddesses in all their glory, celebrities such as Julius Ceasar, and Cleopatra. Gladiators fought to the death, and slaves were auctioned off. A lot of hard work made this a fun-filled and cultural night.

CROSS COUNTRY

The Muhl harriers continued their winning way with another undefeated season. Their record is up to 68 and 5 over the last five years.

The secret to winning this season was dedication. The team began running in July and kept running until the end of October. Neither the weather nor pulled muscles could stop the cross-country team, under the able direction of Coach Dudek, from beating their opponents and ending the season with a 12-0 record.

FOOTBALL

This year in football, the MUHLS were not TRI-CO CHAMPS as they were in 1972 and 1973. But that is not to say that the 1974 team was not a good team. It was. In keeping with the long established tradition of hard work and perseverance at Muhlenberg, the players displayed an unwillingness to quit.

In every game, they played good solid football under the direction of our dedicated coaching staff. A couple of bad breaks left them with a 2 and 8 season record.

The girl's hockey team came through with another fantastic season of winning. They ended up on second place in their Division, with an overall 9-3-1 record.

One of the real highlights of the season was the Varsity's win over Governor Mifflin. It was the first time this arch rival has been defeated in recent years.

An additional honor was awarded to team member, Cindy Cramer when she was elected to the West All-Star team.

Tri-captains Lori Lacy, Cindy Klick, and Bernadette Lisney worked hard to inspire their teammates, and under the direction of Coach Pace helped to produce another great hockey season.

Competition was top notch and the inexperienced team was unable to win any matches.

However, with the majority of the girls returning next fall, there is much to look forward to with this ever popular and growing sport.

Next year with the returning of a couple of experienced players, the Muhls should be on top again.

GIRL'S BASKETBALL

Girls running up and down the court frantically trying to score the winning basket. This was the scene many times at the girls' basketball games.

The team definitely kept up Muhlenberg's reputation as a "hard school to beat" as the girls won many and lost few.

Graduation will only take two players so next year should provide us with another exciting season of Girls' Basketball.

WRESTLING

This year's wrestling team was fortunate enough to have a few returning lettermen who provided the necessary leadership for a good team. Also on the team were several talented underclassmen. They worked very hard practicing, learning and competing during the cold months of the year.

Several of Muhlenberg's matmen proved they were the best by going on to the District Match. J. DeWalt was able to win this level of competition.

BOY'S SWIMMING

This is the second year that Muhlenberg's pool has been open and this appears to be helping the swimmers. This year could boast of a winning season against very rough competition.

Practicing before and after school helped get swimmers and divers in excellent condition for the many meets.

Certainly during the coming years, Muhlenberg will be in the difficult battle for the championship of their league.

GIRL'S SWIMMING

Although only in its second year at MHS, Girls' Swimming continues to improve and grow more popular. The girls are just a few seasons away from a winning team.

This year's team consisted of many underclassmen, who gained valuable experience for the future. Next year with these girls returning and new girls comint out, they should have a fine team.

SWIM SHOW

"Hawaii H_2O"

This year was the first year of the Muhlenberg Swim Show. Based on the theme of a visit to the Hawaiian Islands, students swam to the music of the land of coconuts and palm trees. Members of the Synchronized Swim Club and the Aquatic Aides under the able direction of Mr. Snyder and Miss Trexler put together a combination of swimming, diving and comedy routines to make the show a great success.

BOY'S BOWLING

During the winter when basketball and wrestling were getting headlines and fans, there was other competition taking place, boys' bowling. While there were few fans, this did not stop the team from winning.

In past years Muhlenberg has had fine bowling teams and this year's was no exception. Under the guidance of Coach Krize the bowlers rolled their way to another highly successful season.

Continuing The Winning Baseball Tradition

BOY'S BASEBALL

Under the very capable coaching of Mr. Seip and Mr. Gallo, the baseball team was able to turn in another excellent season. In addition to their regular outstanding league record, they also won both the Elco and Fleetwood Tournaments. Several starters boasted batting averages of over 400 and one starting pitcher had an impressive one-hitter. The highlights of the season also included a come from behind win over Wilson.

A season plagued by injuries and constant bad weather left the girl's softball team with a 4 and 8 overall record. Highlights of the season included some fantastic catches in the field, and some excellent hitting at the right moments. With eleven freshmen, including two pitchers, returning next year, and only one senior leaving, this team is extremely optimistic as they look toward the future.

TRACK

This year's track team kept up the long established winning tradition at Muhlenberg. Among their many successes of the year, runners broke the school's 2 mile relay record. One member of the team also competed in the PIAA State Championships. Mr. Lauser coached the sprinters, relay runners, long and triple jumpers to many individual and team wins throughout the season, while Mr. Dudek worked with distancemen and hurdlers and Mr. Oxenreider directed the weight men and pole vaulters.

BOY'S TENNIS

A swing of a tennis racket, a thud of the ball on macadam and the ball sails off in the opposite direction. This year's tennis team was young and inexperienced. That didn't stop them, however, from winning several matches. Skill combined with dedication made the season a winning one.

GOLF

A change was made in the scheduling of the golf season this year. Instead of being held in the spring, it was held in the fall. Eleven matches were held and Muhlenberg was able to win six. In addition to this winning record, three of our golfers, Kevin Forehand, Brett Gardner, and Mike Meck played in the County Tournament. Forehand also qualified for the District III Tournament. Overall the team finished in a tie for First Place in the Northern Division.

CLASS OFFICERS, NATIONAL HONOR SOCIETY, AND SOCIETY FOR ACADEMIC ACHIEVEMENT

The National Honor Society consists of juniors and seniors who have shown outstanding qualities in their activities and studies at Muhlenberg. Scholarship, leadership, character, and citizenship, are taken into consideration by faculty members who elect NHS candidates.

Class officers, on the other hand, are elected by students on the basis of what candidates promise to accomplish during the school year.

Society of Academic Achievement members are chosen for recognition entirely on the basis of their outstanding scholarship.

SENIOR PROM

One hundred sixty-two couples attended the Senior Prom at Sheraton Motor Inn on May 31. Dinner, which consisted of lobster tail and filet mignon, was served from 7:00 to 8:00 P.M. Music was provided by "Bossmen" from 8:00 to 11:00 P.M.

Those attending the prom received an inscribed punch glass as a momento of the evening.

The After-Prom Party took place at the Berkshire Mall. The main attraction was a Casino Night. Music was provided by Gaslyte. An auction concluded the long night's activities.

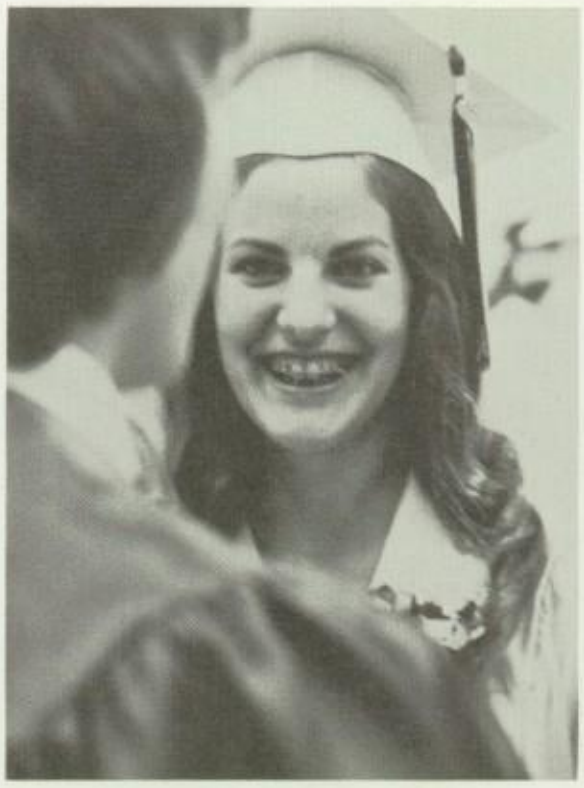
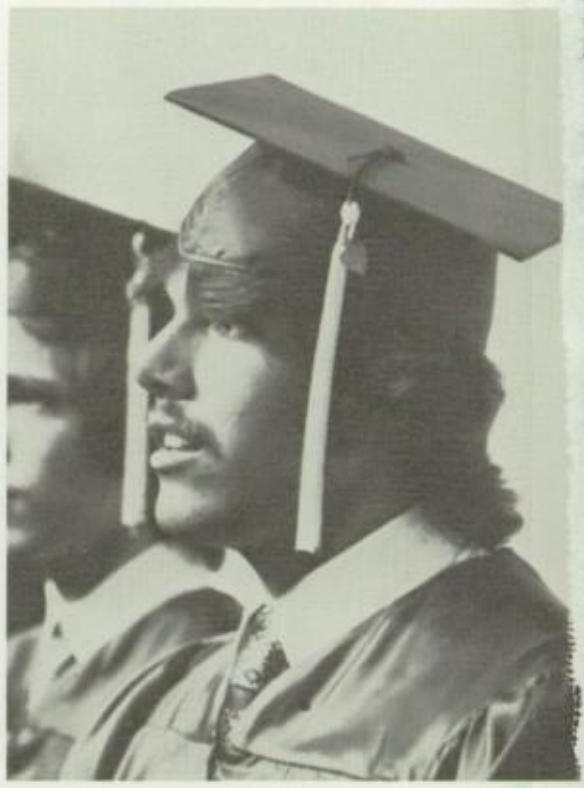
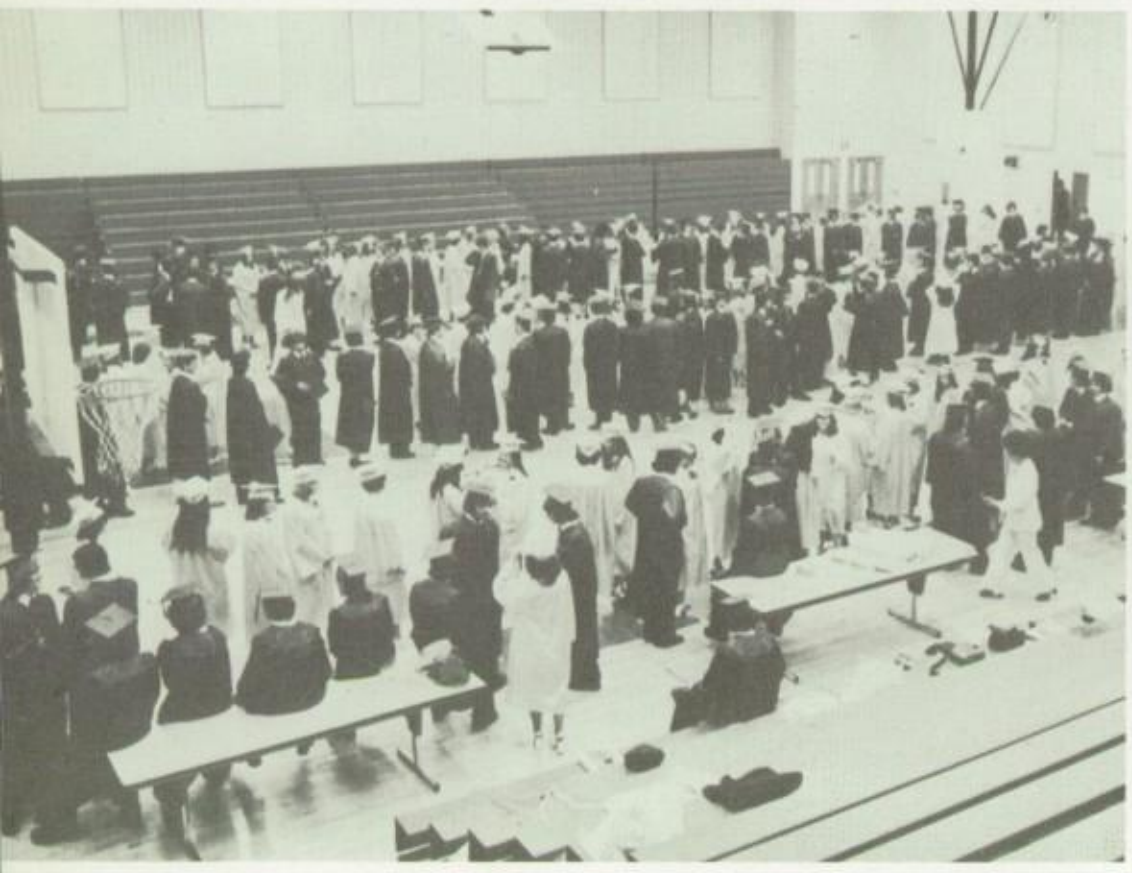
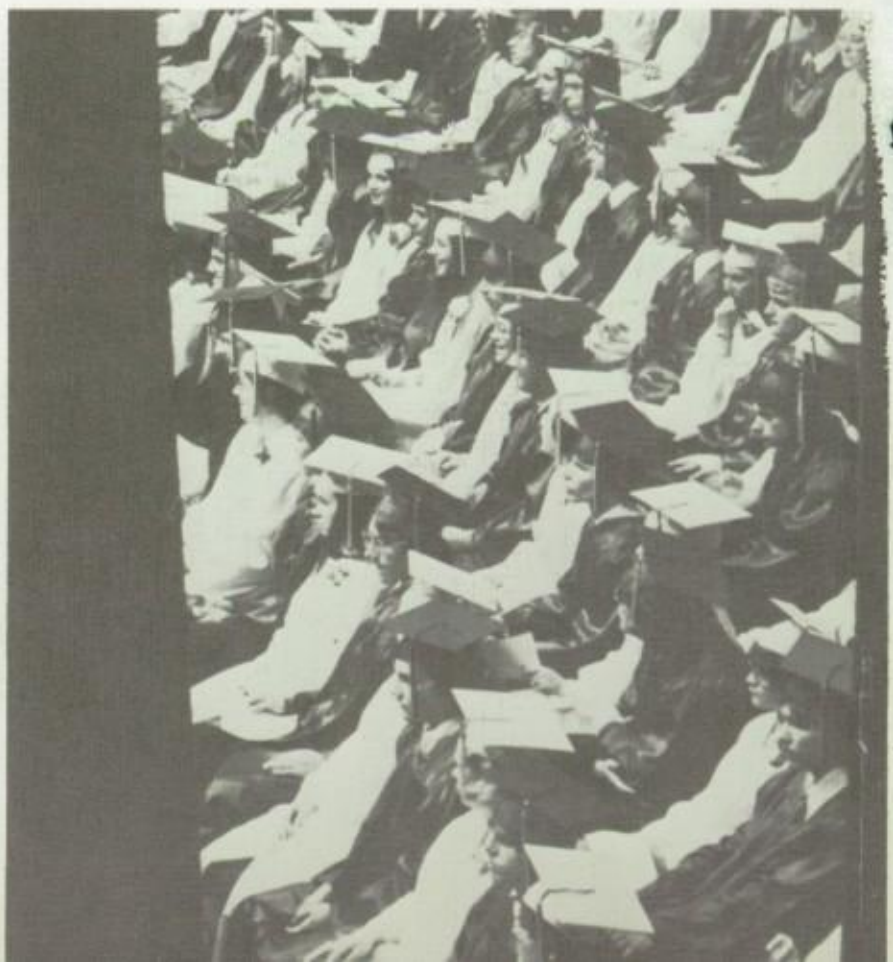
Good-Bye
Muhlenberg,
Hello, World!









Vicki

From the one who irratates, is pathetic, sickening, aggravating) & you also hate.

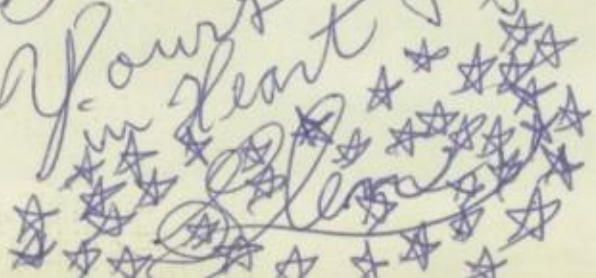
But after all when you love someone so much you just can't leave them alone - when you see them for love is a funny thing the way it takes up your life & when you look for attention after you put in a hard days work & guess you have a hard time taking me even though you try. We will get annabeth to eat those, yet, you wait. HEE HEE HEE & Love you now, I'll Love you tomorrow & I'll Love you Forever & always for when you have love for & need little else, for in order for there to be Love it must go both ways for & know you love me for & Love you more all the time & it gets to the point when I just want to be with you

Love,

Forever

Yours

In Heart & Soul



Vicki
To Some girl
that always
comes up to me
in the halls And stops
me for no reason. Remember
All the fun we had since fun
1st grade. don't forget the
we had knocking off in 10th grade.
Danny wait till this dame schools
burns down to a crisp.
